

WE UNDERSTAND THAT IMAGE IS
EVERYTHING AND WE PROMISE TO
GET EVERYTHING OUT OF YOURS

United Media Established as Atlantis of uniforms factories, Run by Engineers in each section (Quality, production, Planning) up to the top management to make sure that everything is calculated accurately.

Takes a wide variety of dedicated textile and technology specialists to design and manage not only the garment, but also the many functions and treatments that applied on top of it, including the latest weaving technology and treatments. With other uniform companies, that's your responsibility to make garments specification. Nevertheless, we do things differently in United Media.

Eco Friendly

[coffee - charcoal - RPET - Bamboo]

Modern Materials

[spandex - Silver nitrate - Kevlar - Carbon fibers]

Fabric Functions we can apply to our valuable customers

[Water repellent - Anti stain - Anti static - FR - Arc rated - Anti Oder - Anti Bacterial
- Anti UV - Anti IR - Bullet proof - Anti stabbing]

Mission

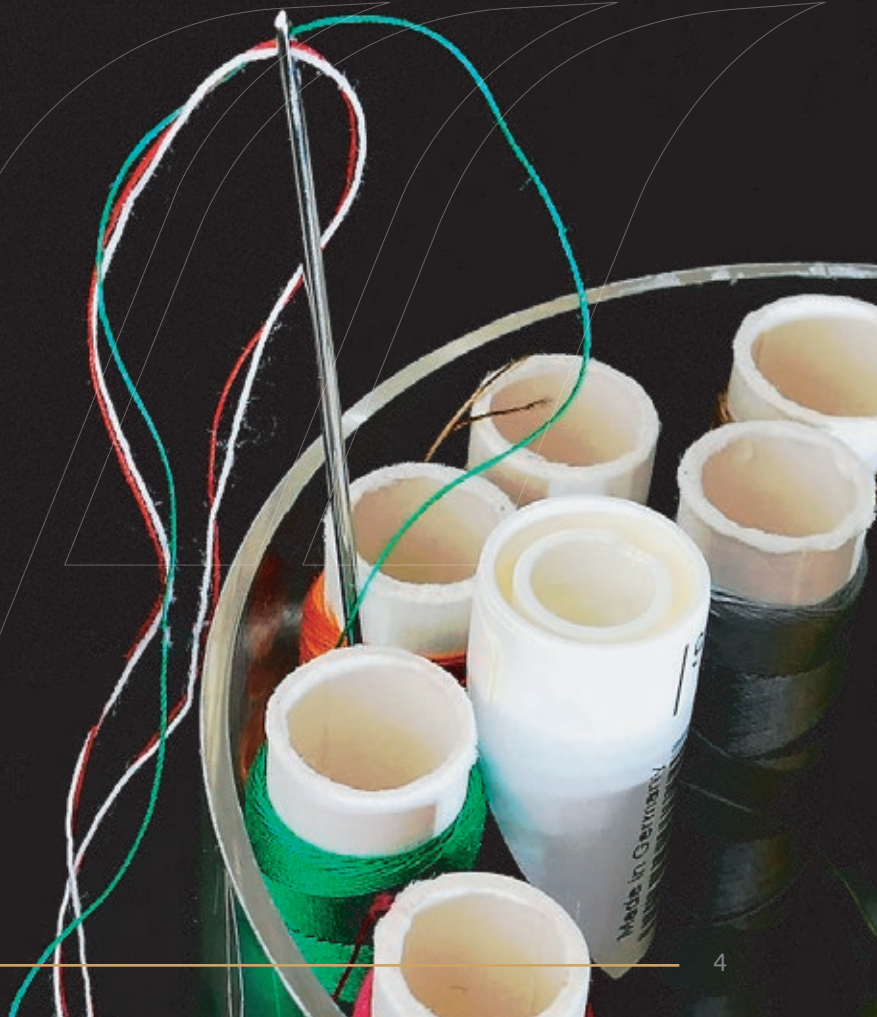

United Media is to provide cleanliness, image, convenience, and safety to business institutions and other organizations with garments, related products, and services. We intend to grow rapidly through internal means, acquisitions, geographical start-ups and remain national in scope to provide a fair profit and healthy rate of return for our investors by meeting customer needs and providing a high level of service. We will market quality products by selling through direct marketing, professional sales and route distribution systems.

Vision

we passionately put the customer first and pride ourselves on building mutually beneficial relationships while supporting and depending on one another.

We are committed to creating future opportunities through growth by seeking long term profitability through win-win solutions across all disciplines we start where our competitor finishes we aim to become the first Saudi Uniform Brand and distributor in the Gulf Area and a well-known Uniform supplier Globally .
